**LEADING STUDENTS  
AND SAVING LIVES**

## **LAUNCHING** *Your New Beginning*

When you team up with The Blood Connection, you're continuing a legacy of high schools that chose to help save lives in this community. The Blood Connection is the blood provider for dozens of local hospitals, which means donations are helping your neighbors and friends. Since the 1960s, The Blood Connection has partnered with high schools like yours to host blood drives. Almost 60 years later, 100 high schools have joined that life-saving mission, bringing in hundreds of donations per year.

Your students are the future of this community's blood supply. We sincerely appreciate the time, talent, and enthusiasm it takes to make your school's blood drive a success. We're here to help make you a lifesaver!
